GLAMPING

The glamping field is just crazy cool, it adds a festival vibe to your 2 days wedding getaway and you'll find your guests fighting over who gets to be in a tent! Our tents are Belgium linen, with high sides allowing you to stand tall and walk around the whole tent.

BEDS

Each tent has a king size bed and a separate day bed which can be used to lounge on or as a single bed – and we can set up a second single bed in each tent, allowing it to sleep 4 people in total. The beds all have fresh white linens, doona covers and pillows as well as cushions and throw blankets.

EXTRAS

There is a bamboo table with two chairs in each tent too, as well as some playing cards and chess. There is also fairy lights, a lantern and bug spray.

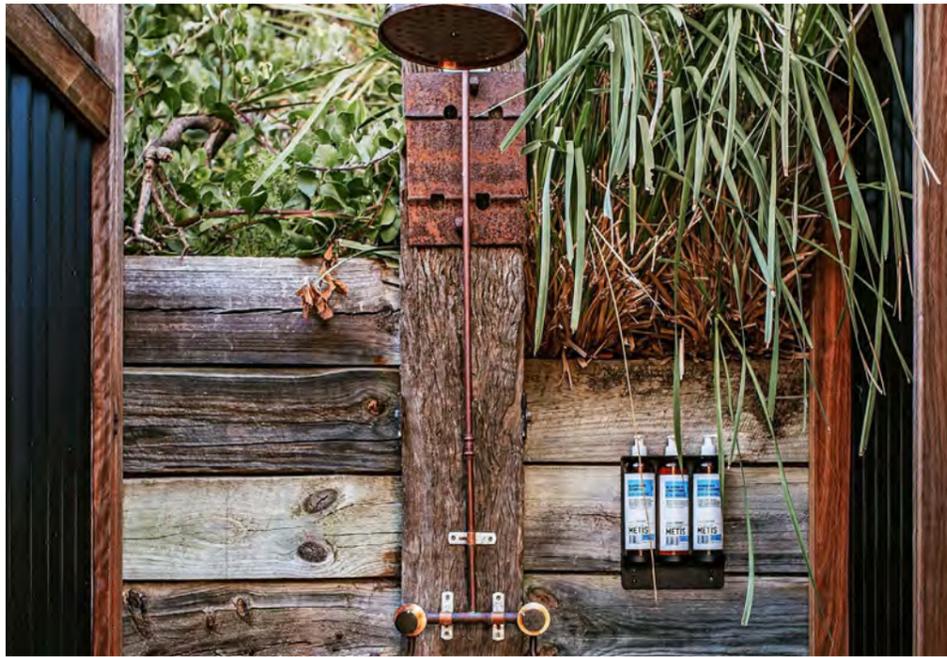

CAMP BATHROOMS

The glampers have their own bathroom area with private toilets, showers, an outdoor (but private) bath and luxe toiletries. Bath towels are also provided in each tent.

OUTDOOR KITCHEN

There is a glamp kitchen with fridges, BBQs, gas burners, kettles, toasters, and lots of pots, pans and utensils.

THE GLAM ROOM

— × —

When you book the property for a wedding you also get exclusive use of the Glam Room for you and your tribe to get ready on the day. It's a gorgeous space that includes a beautiful ceramic tiled make up bench, blush arched mirrors, pink velvet ottomans, a green velvet petal lounge, a brass bar cart with champagne - it's the perfect spot where you and your glam squad can set up, have fun and get ready.

THE GROUNDS

The grounds of The Cove include lots of beautiful spaces and coastal touches – and you get to use it all! The grounds are spread over 3 acres. From any of the cabins, tents or the funhouse it is no more than a 30 seconds stroll to the sand and water.

We have the beautiful calm waters of the inlet on one side (30 seconds) and the surf and waves of Bherwerre beach on the other side (5 minute walk).

The Cove is located a 25 minute drive from Huskisson. You get to us by a beautiful drive through the Booderee National Park, where we are nestled into the edge of the park surrounded by the bush and ocean on two sides. It is completely private and completely yours to enjoy for your 2 day wedding get away.

At night the whole property comes to life with the soft glow of fairy light in trees, festoon lights over the village green and spot lights casting a coloured wash over some of the prominent Norfolk pines and 100 year old Banksias that sit on the properties edge.

Once you take over the property, have all your guests staying onsite and the public spaces flowing with your friends and family – it's a vibe. Like nothing else.

Go to our website or call us now to book a walk through so you can start dreaming and planning your Cove wedding.

SHOP

— X —

We have a cute lil shop on site that sells campos coffee, basic pantry items and snacks, frozen pizzas and meals, ice creams, drinks, hats, and some cute beachy homewares and body products.

VILLAGE GREEN

The village green is a centrally located open lawn space in the center of the property. It is located to the back of the BBQ pavilion and just 10 seconds from the beach front. There are comfy outdoor armchairs, lawn games, firepits and at night it is lit by the gorgeous festoon lights that zig zag overhead.

THE PAVILION

×

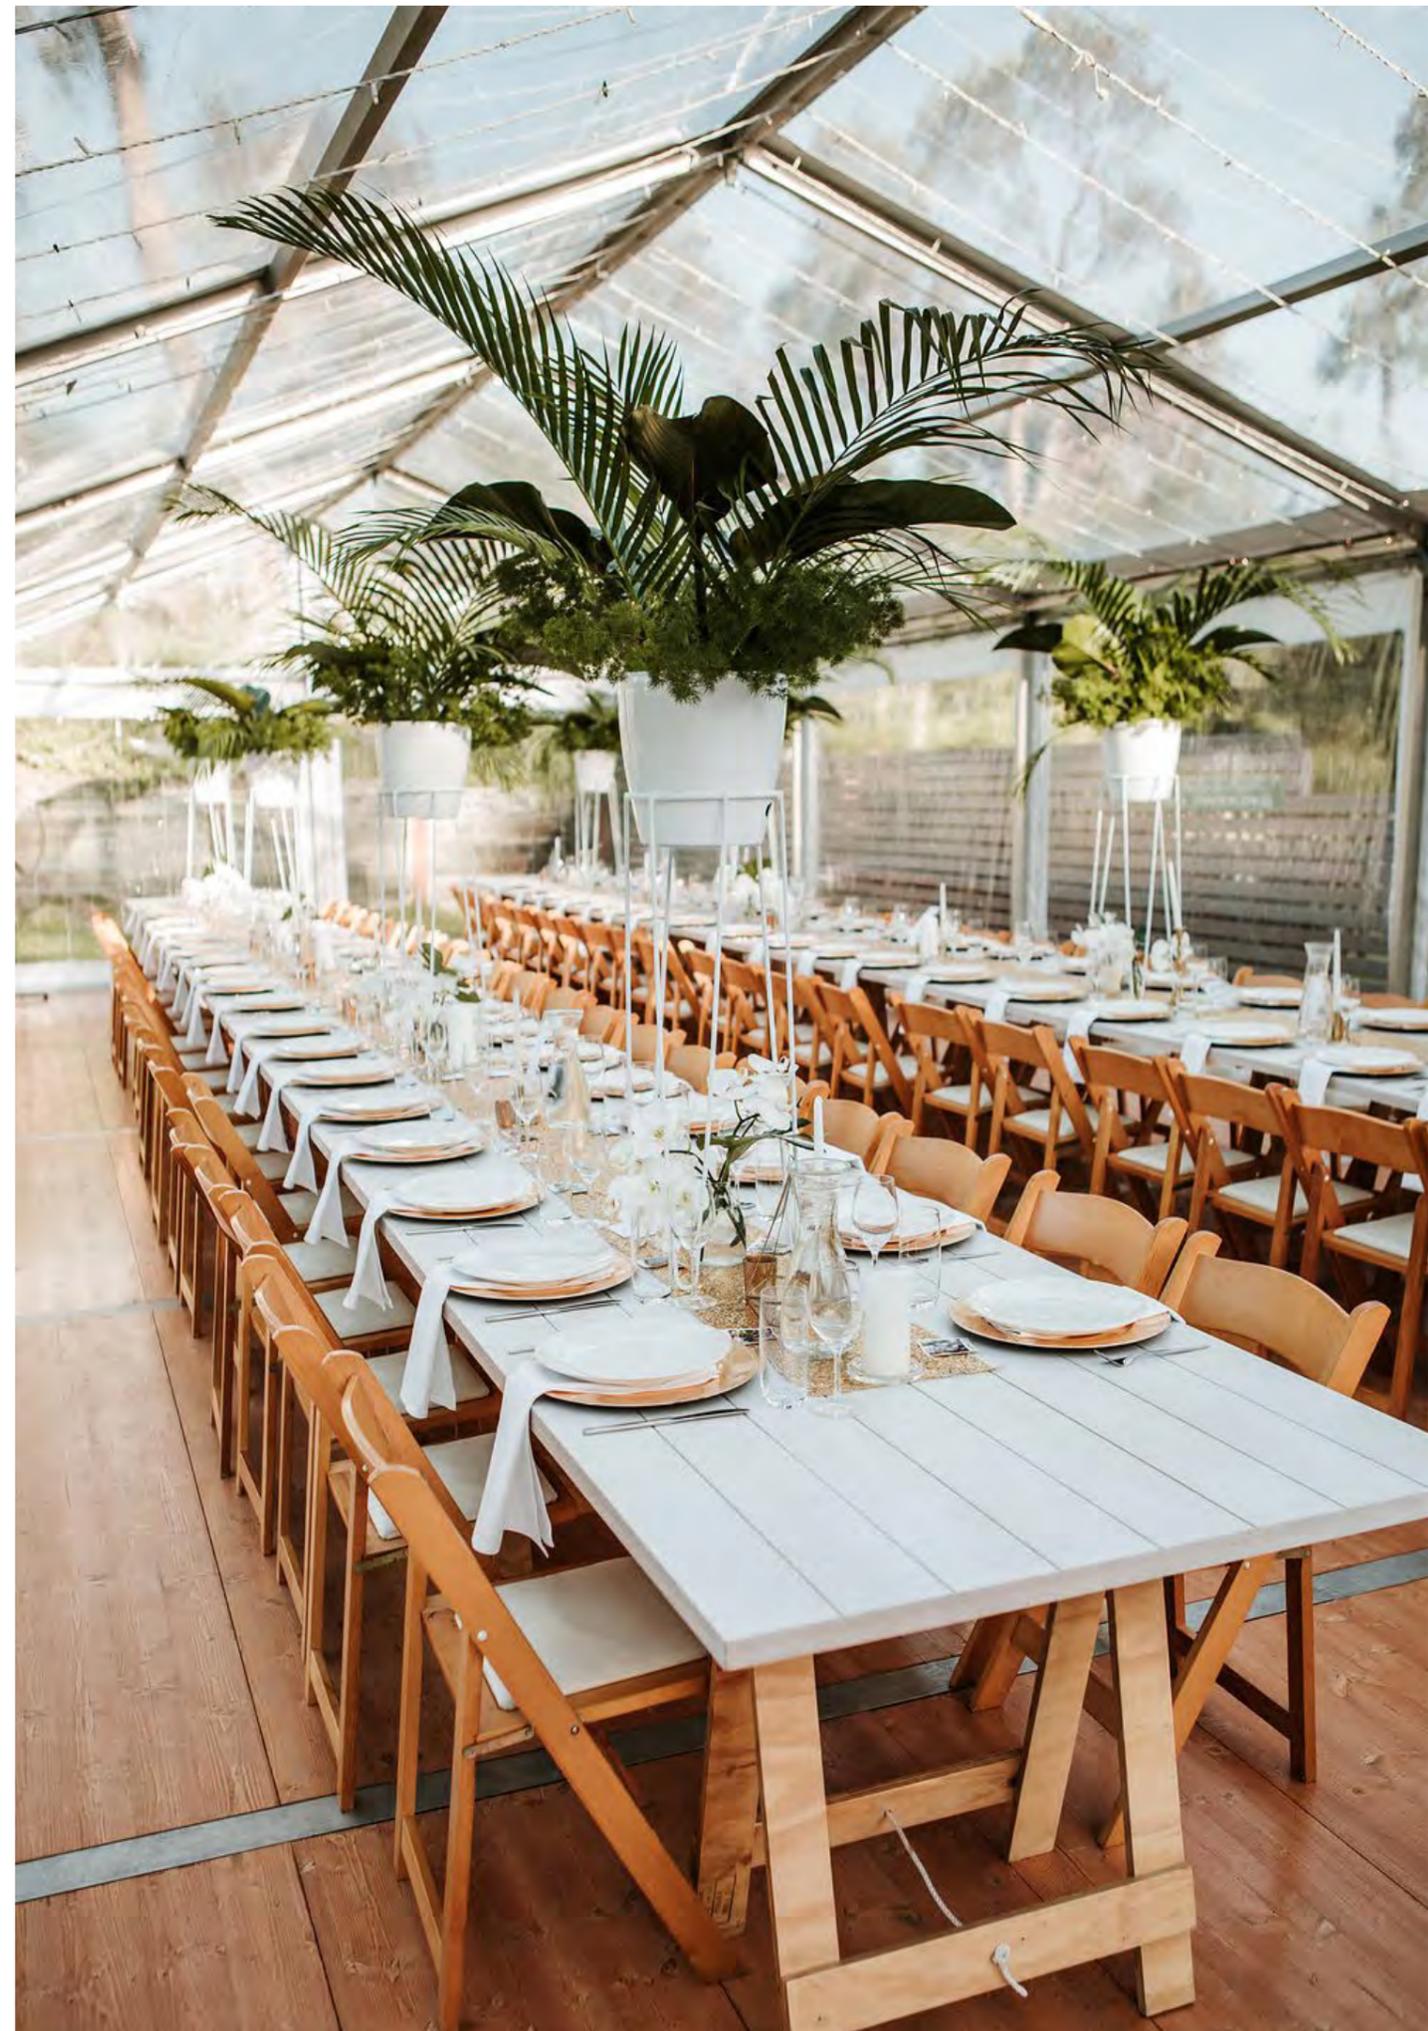

The Pavillion is located close to the beach, in fact you can see the ocean from some spaces in the Pavillion. It is a huge circular space that is surrounded by large trees with hanging white beaded chandeliers and a huge tree close to the center of the space wrapped in fairy lights and with an outdoor bar wrapping right around the tree.

About 70% of this space is open air, however there is a rustic white pavilion that provides cover and is open on three sides. Under the pavilion there are cane lounges, BBQs, beautiful artworks and dozens of plants trailing from the ceiling rafters and the white pots and shelves - a beautiful and whimsical space.

MARQUEE

We have a large space located near the glamping tents that is perfect for a 20x10 meter marquee (or smaller at your discretion). We work closely with local hire companies such as south coast party hire and shoalhaven party hire who can provide you with exactly what you need to bring your event to life. This space has available power, is located next to a toilet block and next to a large kitchen space which can be used for catering.

We have the coolest locals around, yep we're talking roos. There is a family of roos and wallabies that live at The Cove. In the early morning you will find them keeping the lawns mowed, midday they are laying around chilling and in the early evening they spring back into action for dinner time as they give the lawns another trim. It's pretty cool to chill out surfside with the roos by your side, that's The Cove vibe.

STYLING

— × —

When you wed at The Cove you can bring in your own team of stylists, do it yourself, get your friends to dive in and help – or ask us about our preferred Stylist vendors on the south coast who can take control and do it all for you. We have recommendations for florists and stylists that are pretty amaze. We also have a collection of items that are free for you to use when holding your wedding here.

The grazing table includes cheese, deli meats, quiches, pizza bread, dips and crackers, chips, olives, antipasto, bread sticks, frenchsticks, cold roast chicken pieces, fresh bread rolls, sauces and spreads, pasta salad, rice salad, dessert pastries, sweets and lollies and more.
